2025 Annual Report

July 1, 2024 - June 30, 2025

Welcome to the Annual Report of the Essex Library Association!

I'm delighted to have this opportunity to acknowledge the work of our Board and Staff and show our appreciation for our supporters. We have had an exciting year at Essex Library Association. My deepest gratitude goes out to Executive Director Ann Thompson and her staff. Behind every program, every resource, and every answered question stands a team whose dedication often goes unseen, but never unfelt. To our library staff: thank you for being the heart of our library. You prove, day after day, that libraries don't simply hold knowledge – they share it through you. I sincerely thank Ann Thompson and her team for their hard work, professionalism, compassion, and excellence.

I also want to thank all of you, our dedicated patrons and Members for your financial generosity as well as your generosity of spirit. We presented 552 programs over the last 12 months and 8,069 of you were in attendance. We again exceeded our Annual Fund goal and received several generous Legacy gifts. This support has enabled us to continue to provide our programs and services as well as take care of needed maintenance and additions to our building and grounds. We are forever grateful for your partnership. As always, we want to thank the Friends of the Essex Library for their vital support in fundraising activities and for their role as ambassadors within the community. Their dedication and hard work inspire us all – they are an incredible group!

My thankfulness also to our Board of Trustees whose diligence and commitment to the library enable us to follow our Strategic Plan, consistently work together, and dream the tremendous dreams for our future. I have never seen such a hardworking group – you are all amazing.

These demonstrations of unwavering support ensure that Essex Library will continue to be a place of learning, growth, and connection for all. You all truly make a difference in our community and beyond.

Sincerely,

JoAnne Carter

Executive Director's Report

Essex Library enjoyed another terrific year, both in terms of usage and community impact. With a steadfast commitment to excellence, our dedicated and highly-trained staff worked to create a welcoming and enriching environment for all our patrons.

We issued new library cards to 274 Essex residents this year, and foot traffic was brisk with over 44,000 visits. These numbers reflect the demand for professional library services but also the community's recognition of our library as a vital resource. Our meeting rooms were in high demand by local non-profit organizations and remote workers. We were delighted to welcome back VRHS International Baccalaureate students for some of their final exams. We collaborated with numerous local non-profits on programs and hosted a non-profit volunteer fair to help potential volunteers meet and sign up for opportunities to help.

We hosted over 550 programs this year, attended by more than 8,000 people, an attendance increase of over 14%. Local parents and caregivers recognize the educational value in our Wiggle Worms, STEAM Saturdays and Little Learners programs which are heavily attended. Substantial sponsorships from Southeast Connecticut World Affairs Council and an anonymous donor enabled us to once again offer the popular Great Decisions discussions and a year of the Library Speaker Series- exceptional author talks for all ages.

Circulation rose again this year with nearly 51,000 print materials borrowed. The demand for eBooks and audiobooks continued to increase, with 129 new residents added to those already using our digital materials. Our staff has been instrumental in guiding patrons through the use of our digital platforms: over 5,477 eBooks, 5,422 audiobooks and 4,989 eMagazines were borrowed through our free Libby service.

The VRHS Warriors In The Community helped us move furniture and book stacks as we begin to implement an interiors facelift with plans that include, among other things, two new meeting rooms and custom shelving for a local history area to be completed in 2025 supported, in part, by a gift from the Clark family in memory of Sherry Clark. This refresh stems from our Strategic Plan and is designed to create more useful and comfortable work and reading areas. A new landscaping plan for the entire property is also underway, supported by a generous pledge.

In early 2024, the library received a substantial bequest from Richard Buel who sincerely believed in the value Essex Library brings to the community. This gift to the library's endowment will help support needed repairs and improvements in the next few years. As always, we are enormously grateful for the financial support we receive both from the Town of Essex and our patrons, as well as the countless hours of volunteer help that so many people provide. It would be impossible for us to serve as "the community center for lifelong learning and cultural enrichment" without it.
