**Update from Essex Library Association**

March 10, 2020

Governor Lamont has issued a state of emergency for Connecticut due to the Covid-19 virus. You can view the emergency order and other orders here: <https://portal.ct.gov/Coronavirus>.

During an emergency, state and local health officials have authority to close businesses, schools, etc. as needed to protect public health.

Please know that Essex Library Association will fully comply with health officials. No orders have been issued for the town of Essex at this time and the library is continuing with our current programming and services, however:

- We encourage patrons to check our website regularly for any event postponements or cancellations.
- We also encourage patrons who have items being held for pickup to do so at their earliest convenience.

Please know that we will continue to update our [Coronavirus Resource Center page](#) on our website as well as [our list of homebound services](#).
