## IN OUR COLLECTION — Psychological Thrillers —

### GOOD GIRLS LIE BY J.T. ELLISON

The Goode School is a prestigious prep school known as a Silent Ivy. The boarding school of choice for daughters of the rich and influential, it accepts only the best and the brightest. Its elite status, long-held traditions and honor code are ideal for preparing exceptional young women for brilliant futures at Ivy League universities and beyond. But a stranger has come to Goode, and this ivy has turned poisonous.

### THE SILENT PATIENT BY ALEX MICHAELIDES

Alicia Berenson's life is seemingly perfect. A famous painter married to an in-demand fashion photographer, she lives in a grand house in one of London's most desirable areas. One evening her husband Gabriel returns home late from a fashion shoot, and Alicia shoots him five times in the face, and then never speaks another word. A shocking psychological thriller of a woman's act of violence against her husband--and of the therapist obsessed with uncovering her motive.

### THE LAST MRS. PARRISH BY LIV CONSTANTINE

Amber Patterson is tired of being a nobody: a plain, invisible woman who blends into the background. She deserves more--a life of money and power like the one blond-haired, blue-eyed goddess Daphne Parrish takes for granted. To everyone in the exclusive town of Bishops Harbor, Connecticut, Daphne--a socialite and philanthropist--and her real-estate mogul husband, Jackson, are a couple straight out of a fairy tale. Amber's envy could eat her alive . . . if she didn't have a plan.
